

Made your mark;

Against silent segregation when we suffered so.

Revolutionary in times of dark

Creating an empire -

Universal, Negro, Improvement, Association - all children of God.

Saluting you now and forever for your leadership.

Magnificent

Overcoming

Savage

Ignorance

And

Hatred

Generating religion and freedom

A most Great and Honourable Prophet,

Remaining in our hearts and minds and history eternally.

Vision so ahead of your time.

Emancipating us from mental slavery unchangingly;

Your voice lives on.
